

MEDICAL

OUR MISSION

INVESTING TO BUILD A HEALTHIER FUTURE

For any medical property to succeed, sufficient operational expertise is required, to address the needs of the medical institution in question, and to assure long-term and sustainable rent and other income.

Rodschinson helps to source suitable partners that have a long and established track record of shining and succeeding within their respective industries. Proper scrutiny and due diligence are major factors during this process.

Our goal is to support and guide our clients to get the best bank for their buck by unlocking the unexploited potential of the businesses.
It's what we do best.

MEDICAL

ROD MEDICAL: INVEST IN HEALTHCARE, INVEST IN YOUR FUTURE

The medical real estate ecosystem is so diverse and so vast that many of our clients are often not sure where to begin, as the opportunities are endless.

Sector analyses and in-depth industry research have shown, time and again, that medical real estate properties are increasingly an attractive investment proposition to investors.

For institutional as well as private investors, we provide unique opportunities to participate in the growing health technology companies with full life cycle management of investments.

An aerial photograph of a hospital campus. A prominent feature is a winding, light-colored road that curves through a green landscape with trees. To the right, there is a helipad marked with a white cross and the letter 'H'. In the lower-left quadrant, there is a large, multi-story building with a flat roof. The overall scene is captured from a high angle, showing the layout of the facility and its integration with the natural environment.
